

PRELOVED COLLECTION

2025 MK ILLUMINATION

Welcome to our Preloved Collection

Our range of pre-used light motifs, trees and props are priced with significant discounts.

In a tough economic climate purchasing from this range is a cost effective and sustainable way to shop.

Items in this catalogue are offered at up to 70% discount from the recommended retail price.

Please be aware that some of these items may require further work which you may wish to undertake yourself or receive a quote from our team to carry out. Some items may require you to purchase additional parts but where possible we have included those items. Some items are priced to include refurbishment.

Items will have a condition report so please discuss with your Sales advisor.

We're sure you'll find something you love and are here if you require any further assistance.
