ILLUMINATION

## *Welcome to our Preloved Collection*

Our range of pre-used light motifs, trees and props are priced with significant discounts.

In a tough economic climate purchasing from this range is a cost effective and sustainable way to shop.

Items in this catalogue are offered at up to 70% discount from the recommended retail price.

Please be aware that some of these items may require further work which you may wish to undertake yourself or receive a quote from our team to carry out. Some items may require you to purchase additional parts but where possible we have included those items.

Items will have a condition report so please discuss with your Sales advisor.

We're sure you'll find something you love and are here if you require any further assistance.
